

Increase Impulse Sales Inside and Outside the Store!

Maximize your retail space inside or outside with an indoor/outdoor merchandiser. Available in a variety of sizes and colors, the merchandiser features a nighttime tambour door for extra security. It can create additional dollars per square foot in any retail space. It is UV-protected to withstand the elements anywhere you need it. The merchandiser is great for:

- Garden centers
- Fuel islands
- Automotive departments
- Convenience stores
- Malls
- Airports
- Anywhere with underutilized retail space
