

Your pharmacy workspace solution is here

Pan-Oston's Pharmacy Workstation is a modular solution that will fit in any size pharmacy, whether it is standalone or operating in a shared space. Its high-quality, durable structure provides a functional workspace that meets the needs of both the pharmacy and operations. It features:

- High-quality, durable metal design
- Multiple configurations
- Data and power chases throughout
- Clean work space
- Secure narcotics drawers
- Pill bottle and cap drawers
- Bag holders
- Space-saving bracketry

Join the nation's top retailers who are seeing an incredibly high return-on-investment in the long-lasting Pharmacy Workstation. Call us or chat with us on our website today for this durable, functional solution.
