

Handling online orders, store pickup, and delivery just got a lot easier

If you're like most retailers, you're offering online ordering, store pickup, and delivery, or you will be soon.

Utopia Pack 'n Ship Smart Cart

Storage Locker

Vantage Mobile Checkout

Pan-Oston has worked with the nation's top retailers and has all the tools you need for a smooth transition from your website to your pickup center:

- The **Utopia Pack 'n Ship Smart Cart** will increase workflow and improve delivery efficiency. It features:
 - o Ergonomic design
 - o Mobile or stationary options that are customizable to your needs
 - o Storage for paper, shipping boxes, envelopes, and trash
 - o Electrical bus connection
- Our **Storage Locker** will keep items secure for customers who will be picking up at the store. It features:
 - o Heavy-duty metal design
 - o Customizable size and finish
 - o Lockable doors to prevent theft
- The **Vantage Mobile Checkout** gives you the flexibility to ring up sales wherever you need. It features:
 - o Premium casters on all units
 - o Adjustable flip-out side shelf
 - o Collapsible bag rack
 - o Locking drawers, doors and shelving for storage
